CareWear®

100% practical, durable, great styling  
and maximum comfort

## Welcome to Anze CareWear®

Anze's CareWear® range is aimed at staff working outside the operating theatre environment, in areas such as A&E, ICU, maternity, X-ray and general wards. If you need uniforms to perform at their best for long periods of time, CareWear® is the ideal solution.

All CareWear® garments are manufactured using hard-wearing fabrics that will retain their good looks and shape after many washes, whilst providing day-long comfort and functionality.

They are available in a high-quality fabric:

### Caretex Ultra

- 65/35 poly-cotton woven twill
- 195g/m<sup>2</sup>
- Designed for use in a ward environment or any department where normal ambient temperatures exist
- Colours: White, Sky, Lilac, Emerald, Royal Box, Navy, Hospital Blue and Maroon (please refer to page 10 for colour guide)

### CareWear® Features

- Longer body length
- Modest unisex designs
- Side vents
- Large reinforced pockets
- Loose fitting sleeves
- Colour-coded size identification
- Tunic sizes: XS to XXXL
- Trousers sizes: XS to XXXL, in three lengths: 29", 31" and 33"
- All uniforms can be embroidered with a logo of your choice

Once your team has sampled CareWear®, nothing else will come close...

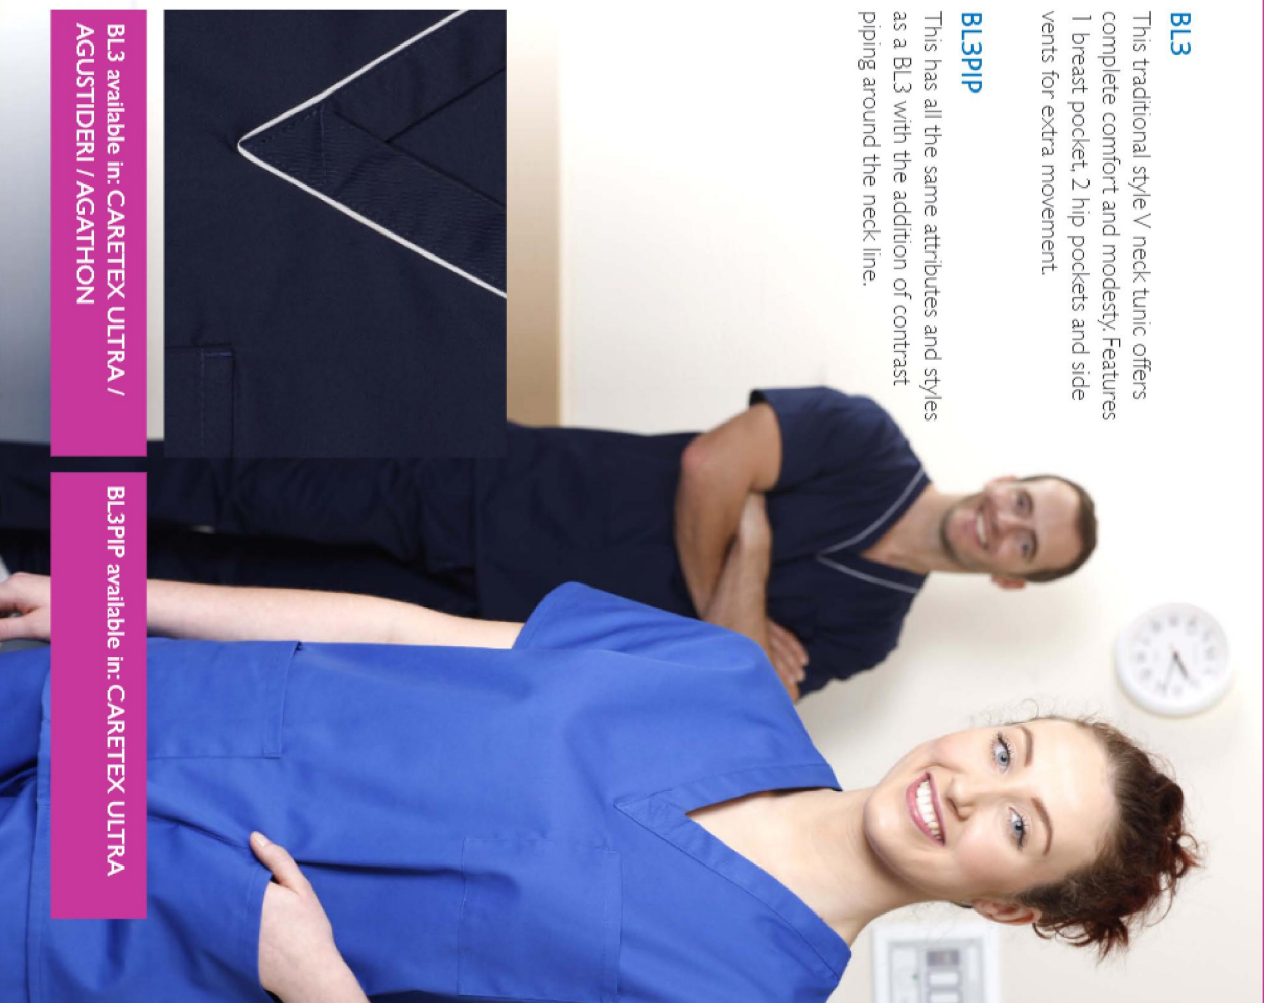

## Traditional V-Neck Tunic

### BL3

This traditional style V neck tunic offers complete comfort and modesty. Features 1 breast pocket, 2 hip pockets and side vents for extra movement.

### BL3PIP

This has all the same attributes and styles as a BL3 with the addition of contrast piping around the neck line.

BL3 available in: CARETEX ULTRA / AGUSTIDERI / AGATHON

BL3PIP available in: CARETEX ULTRA

## Crossover V-Neck Tunic

### BL7

This tunic is designed to increase the level of modesty for the wearer by featuring a crossover neck band with a front yoke design. Features 1 breast pocket, 2 hip pockets and side vents.

### BL7PIP

This has all the same attributes and styles as a BL7 with the addition of contrast piping along the neck line.

BL7 / BL7PIP available in: CARETEX ULTRA

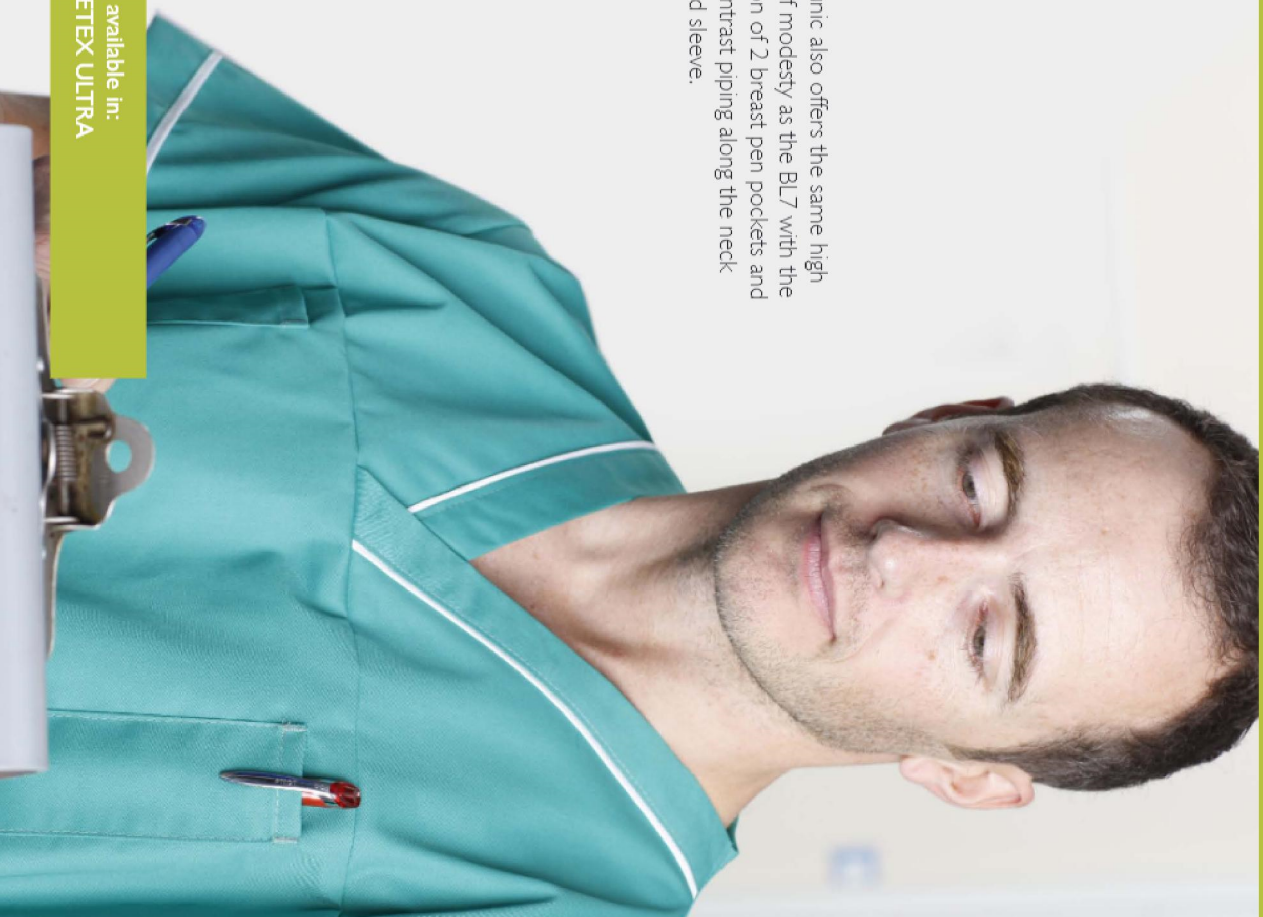

Please call: +44 (0)1623 550350 for more details

## Pen Pocket Crossover V-Neck Tunic

## A&E Tunic

### BL15

This tunic also offers the same high level of modesty as the BL7 with the addition of 2 breast pen pockets and has contrast piping along the neck line and sleeve.

BL15 available in:  
CARETEX ULTRA

### BL16

The A&E tunic offers a high level of modesty with its crossover neck design and has fluid repellent properties which provide the wearer with excellent protection. Features cuff sleeves, 1 breast pocket, 2 hip pockets. Also available in short sleeve. Please see BL23 Quartz trousers to complete the suit.

BL16 available in:  
QUARTZ

## Warm Up Jacket

### BL17

The warm up jacket is designed to look both smart and practical worn over a theatre suit whilst still ensuring a comfortable fit. Features cuff sleeves, popper fastening with 2 deep front pockets.

BL17 available in:  
**CARETEX ULTRA**

## Trousers

### BL21

The waist and right-hand rear patch pocket.

BL21 available in: **CARETEX ULTRA / AGUSTIDERI / AGATHON**

### BL22

Deep elasticated waist band and right-hand rear patch pocket.

BL22 available in:  
**CARETEX ULTRA**

### BL23

Deep elasticated waist band with a tie waist feature, right-hand rear patch pocket and additional 2 side pockets.

BL23 available in:  
**CARETEX ULTRA / QUARTZ**

Please note we can only offer the BL23 trouser with the A&E tunic.

### BL24

Deep elasticated waist band with a tie waist feature, stitch front crease and right-hand rear patch pocket.

BL24 available in:  
**CARETEX ULTRA**

Please call: +44 (0)1623 550350 for more details
